## Board of Education Meeting

Thursday, November 4, 2010

### at Lynch Elementary School

- Principal Michelle Bradford welcomed the Board and guests to Lynch Elementary School. Lynch students Megan Keely, Owen Knickerbocker, Tessa Knickerbocker, and Juliana Sornig led the Board and guests in the Pledge of Allegiance.
- Mrs. Bradford presented a PowerPoint that captured events throughout the building during instructional times and parent involvement activities that showcased the mission and vision at Lynch Elementary.
- The Board retained School Exec Connect to conduct a superintendent search for the District. On November 18 Carol Klenow and David Peterson from School Exec Connect will be in the district to conduct a few focus groups. They will give a report to the Board at the Work Session that evening and also help the Board set a timeline for the hiring of the new superintendent. A survey for all staff and members of the community will be available online the end of November.
- Board members thanked Mrs. Bradford for hosting the meeting. They are excited to see all that is happening not only at Lynch Elementary, but in all the schools throughout the district.
- Superintendent Debbie Thompson reported that she had visited several buildings this week and was impressed with a writing workshop she observed in a first grade classroom. Just two months into the school year the first graders were writing full page stories that were readable. She announced that the District-wide TAG program was taking place on Friday and the activities are all tied into using technology.
